PROPERTY DESCRIPTION

Explore the possibilities with this beachfront lot and its endless sea vistas over a charming cove located on a quiet crescent off Seaview Road. The sandy cove has water access with elevations peaking at 14ft AMSL and the potential to use the slab from the shell of this once two-bedroom, two-bathroom beachfront cottage with a wrap-around porch. The Beach/Resort Residential Zoning allows for a significant beachfront residence; there is ample space for a pool and a larger three-story home or beach colony of cottages. Nearby is the blossoming Health City Cayman, which now boasts a convenience store and BlueRock Restaurant. A little further in East End is Eagle Rays at Ocean Frontiers and Tukka Restaurant. *N.B. Structural Engineer survey required on the shell and slab.
