With custom design work by Ironshore Contractors, this residence has a hidden master bedroom with a stunning en-suite bathroom, fitted with high-end Kohler appliances. The contemporary bathroom features a unique closet layout, double sink vanity with backlit lighting and a view of the North Sound from the rain shower. Owners at The Residences at Seafire enjoy dedicated concierge services and property management, along with 24-hour security. Residents have access to unparalleled and exceptional amenities at both The Residences at Seafire and the adjacent resort, AAA Five-Diamond award-winning Kimpton Seafire Resort + Spa, just a few steps away. A world-class spa, offering the island's first hammam experience, three distinct dining destinations and a fully equipped fitness centre are a taste of the amenities the resort has to offer. The Residences at Seafire's private owners' rooftop terrace, The Nest, features a bar and barbecue area, with cabana and lounge areas, showcasing Grand Cayman's idyllic sunrise and sunset views.
