**PROPERTY DESCRIPTION**

This 7,400 square foot LEED Silver certified home is a true modern masterpiece. Luxuriously designed for entertaining, this spectacular home boasts floor to ceiling glass walls overlooking the turquoise waters of South Sound. Upon arrival you are welcomed with soaring ceilings and uninterrupted ocean views. The floor to ceiling walls of glass maximize the views from every angle and fill this home with an abundance of natural light. The expansive ground floor has a well-balanced palette of natural tones that make up the formal living room and kitchen that features an expansive breakfast bar, integrated European appliances and custom joinery. Absolutely no expense has been spared in this home design. There's also a kitchen pantry which is accessed via a hidden door. This house is designed for entertaining. Just past the wet bar in the kitchen, you'll find a separate dining room, the perfect environment for hosting memorable evenings. The main living area flows seamlessly outside via the accordion sliding doors to the impressive 50ft infinity pool, finished entirely in black granite. Featuring tanning ledges, hot tub, gas fire table, outdoor audio and full lighting package controlled with the click of a button, this house comes alive at night. The feature staircase leads you to the three bedrooms on the second floor including the luxurious master wing, boasting walk-in custom fitted closets with spacious hotel style en-suite. Located at the top of the house on the third floor is the home theatre room or fifth bedroom suite. This is the true highlight of this spectacular home and is ideal for a teenage retreat or home office for those working from home. This floor is complete with 144" home cinema with 4K projector, 6.2 Dolby surround sound, full kitchen, en-suite and home gym. Deliberately designed at an angle, the design of this house maximizes the ocean and sunset views, whilst enabling ultimate privacy from any neighbours. Constructed from reinf... [View More](#)
