PROPERTY DESCRIPTION

Laguna Del Mar has only 35 units on a huge land mass on the Seven Mile Beach Ocean. On site, there is beautiful lake, tennis courts, gym, a swimming pool, and BBQ area. It is also very close to many restaurants and other amenities with Camana Bay and West Shore just a short walk away... With its spectacular location, combining wider than average views of the white sands and crystal clear azure waters, Laguna Del Mar is the perfect luxury condo that feels more like home or holiday home, and/or the ideal investment opportunity. There is the ability to rent both long or short term here. The unit has been rented on short term in the past and data can be provided on this.
