PROPERTY DESCRIPTION

Green Tec Cayman has been servicing Barista machines in the Cayman Islands for over 11 years. As a part time, one man operation, the company has consistently turned a 50% + profit margin. Growth potential is massive for the right buyer. There is literally more work than the current owner can keep up with. Whether you own a service company in a similar field or are a mechanically inclined entrepreneur, this is a rare opportunity and won't last long.
