An extraordinary opportunity to acquire one of the few true residential estates on Grand Cayman's world-renowned Seven Mile Beach. Set on an expansive 1.45 acres of lush, mature landscaping, this rare beachfront compound offers a level of privacy, scale, and prestige rarely found in the Cayman Islands. Accessed via a gated entrance and sweeping driveway, the estate features a beautifully appointed main residence with 7 bedrooms, 6.5 bathrooms, and approximately 8,400 square feet of refined living space. Designed for both elegant entertaining and relaxed beachfront living, the home's layout offers seamless indoor-outdoor flow with expansive pool terraces, multiple dining areas, and a private stretch of pristine white sand just steps away. Positioned 525 feet from the road, the estate affords unmatched seclusion while still boasting over 90 feet of direct frontage on Seven Mile Beach — offering unobstructed views of the Caribbean Sea and spectacular sunsets year-round. The compound also includes a separate duplex ideal for staff accommodations or guest overflow, a detached garage block, and additional private parking within a spacious courtyard.
