| Depth: 150 | Acres: 0.45 | |

## PROPERTY DESCRIPTION

Little Cayman, Diggary Point Beachfront Opportunity Prime Beachfront Land at Diggary Point An exceptional opportunity to purchase 0.45 acres of beachfront land located at Diggary Point on the south side of Little Cayman. This beautiful parcel offers approximately 100 feet of pristine sandy beach, providing a peaceful and private setting surrounded by the natural beauty of one of the Caribbean's most tranquil islands. Opportunity to Acquire Additional Neighboring Parcels This lot is being offered together with four additional neighboring parcels (see MLS), creating a rare chance to acquire a combined 540 feet of stunning beachfront and a total of 2.63 acres of land. Opportunities to secure this much contiguous beachfront on Little Cayman are increasingly limited, making this a compelling prospect for both private buyers and developers. Calm, Reef-Protected Waters The property is reef protected, which helps create calm, crystal-clear waters with the vibrant turquoise-blue hues the Cayman Islands are known for. The gentle waters make this stretch of beach ideal for snorkeling, paddleboarding, kayaking, or simply enjoying the peaceful shoreline. Marine life, coral formations, and breathtaking sunsets add to the unique character of this location. Development and Lifestyle Potential The size and configuration of the property allow for a variety of possibilities. It would be perfectly suited for a private island home, multiple residences, or a small boutique resort, offering the flexibility to create a secluded retreat while still taking advantage of the island's charm and natural environment. The Natural Appeal of Little Cayman Little Cayman is known for its unspoiled landscapes, world-class diving, and relaxed island lifestyle, attracting visitors and property owners seeking privacy, natural beauty, and a slower pace of life. Diggary Point, with its wide sandy beach and clear waters, is one of the island's most desirable coastal areas. A Rare Coast... View More
