PROPERTY DESCRIPTION

Seven Mile Beach Corridor Family Home - Private 4 Bedroom Residence with Pool Space, Privacy, and Effortless Family Living

Created for families who want space without sacrificing a central location, this exceptional single-level residence in the Seven Mile Beach Corridor offers 5,099 square feet of living space on a private, beautifully landscaped lot. With four bedrooms, 4.5 bathrooms, three separate living areas, a private pool, and extensive recent upgrades, the home delivers an impressive combination of comfort, energy efficiency, and privacy just minutes from Seven Mile Beach and Camana Bay. Generous proportions define the interior, with three distinct living and entertaining spaces providing flexibility for family life, hosting, and quiet relaxation. At the heart of the home is a spacious open-plan farmhouse kitchen centered around an oversized island, complemented by a walk-in pantry and dedicated laundry/mudroom. The layout creates an easy flow through the main living spaces and out toward the covered patio, pool, and gardens. The primary suite offers a private retreat with custom his-and-hers walk-in wardrobes, a spa-style ensuite, and additional space that can accommodate a home gym or flexible use. Three further bedrooms provide comfortable accommodations for family and guests, while the home's single-level design makes every area easily accessible. Outside, a covered entertaining patio overlooks the private swimming pool and mature, fully fenced gardens. Established fruit trees, including mango and breadfruit, are complemented by additional mango, banana, and gardenia plantings, creating a lush and secluded setting for outdoor living. Plantation and electric shutters add further practicality and protection. Significant recent upgrades enhance both comfort and efficiency. All four air-conditioning units have been replaced with a new high-efficiency system, while the home's 36-panel solar installation and two Tesla batteries have been... [View More](#)
