PROPERTY DESCRIPTION

Approximately 58 acres of vacant land in the North Side interior — a heavily wooded tract rising from 2 ft to 28 ft in elevation, described by the owner as excellent farm land. A registered 6-ft right of way connects the property to Hutland Road, roughly 3,500 ft to the east. Zoned Agriculture/Residential and held freehold under an issued land certificate with no restrictive covenants, the parcel suits an agricultural estate, a private homestead of real seclusion, or a long-horizon land bank. The elevated hillside ground is a genuine rarity in Cayman acreage — and at US$0.79 per square foot, roughly US$34,480 per acre, the entry price for this scale of elevated land is compelling. 3,500 ft west of Hutland Road; access via registered 6-ft right of way. Shown strictly by appointment through the listing broker.
