PROPERTY DESCRIPTION

A rare opportunity to secure 0.639 acres of strategically positioned industrial land in the heart of Grand Cayman's established Industrial Park, in a central, highly sought-after location with strong development and investment potential. Located off Lancaster Drive, this well-positioned parcel is ideally suited to investors, developers or owner-operators seeking a strategic site to establish or expand their operations within one of the island's key commercial and industrial hubs. Zoned Heavy Industrial, the property allows for a broad range of high-intensity industrial uses, including power generation, fuel refining and storage, solid waste disposal, recycling, quarrying/mining, and mechanized manufacturing, offering excellent flexibility for a variety of industrial operations. The central location provides excellent connectivity to George Town, Owen Roberts International Airport, Seven Mile Beach and Camana Bay, along with convenient access to major road networks for efficient island-wide distribution. Surrounded by established commercial and industrial businesses, the area also benefits from close proximity to hardware and building suppliers, fuel stations, supermarkets, restaurants and other essential services.
