Built with durable ICF construction and hurricane-rated windows, this well-appointed residence pairs modern island living with rare flexibility and long-term value. The standout feature is the expansive, partially covered rooftop terrace with 360° panoramic views, ideal for entertaining. It was recently resurfaced, and electrical and water connections are already in place, giving you the option to enclose the space as additional interior living area or a third bedroom suite, adding meaningful value. A second patio overlooks the pool. Residents enjoy resort-style amenities including three swimming pools, a clubhouse, gym, tennis and pickleball courts, children's play area, boat parking, and beautifully landscaped grounds.
