**PROPERTY DESCRIPTION**

---

110 Prince Charles Quay is an exceptional family home featuring expansive water views of Governor's Sound. Enjoy light, bright and airy open plan living, dining and kitchen spaces with open water views from every angle. Upstairs in this immaculate home you'll find 3 gorgeous oversized guest bedrooms an office and a large Master suite all with views to die for. An additional apartment above the garage provides space for the perfect guest or nanny suite. The living spaces spill onto an incredible outdoor lounge area with a lovely swimming pool with a paved deck and sweeping manicured lawns. Complete with 90ft concrete boat dock and artificial beach area, this property is perfect for boaters and dreamers alike. For an added bonus the property comes complete with a solar array providing for extremely low running costs. Located directly across the road from Seven Mile Beach, the new 6-star Watermark residences and the tremendous new Dart Development town center. Call for a viewing, you won't be disappointed!
