PROPERTY DESCRIPTION

A beautiful family home in the serene community of Vienna Circle on South Sound. This home has incredible flow. The grand entryway, complete with a security system, leads to an open living area and directly out to the pool and garden. These main living areas also flow through to the kitchen, which has a second access point from the spacious two car garage. The whole home is brimming with natural light from large insulated and impact resistant windows. Vienna Circle 172 features 3 bedrooms on the second floor. Here you will find the master suite, complete with a large walk-in closet and ensuite bathroom, as well as two guest rooms which share a Jack and Jill bathroom. Each room has customized built-in closets. While on the main floor, there is an additional fourth bedroom and ensuite, with direct access to the backyard. This room is also complete with built-ins and would function well as a home office space. Surrounded by lush gardens with multiple 40-foot palm trees, the outdoor space has a large pool with a tanning ledge. Perfect for entertaining, the home has two covered patio areas and plenty of room for an outdoor kitchen. All this aside, you just can't beat the location. Vienna Circle is a short commute to schools and George Town, and at the top of the road, there is direct access to South Sound beach to enjoy early morning beach walks. It is a family neighbourhood where kids ride their bikes in the street and neighbours are out for evening strolls walking their dogs. This home truly offers it all.
