PROPERTY DESCRIPTION

Christopher Columbus is located on prime pure white sand at the quieter, lower density, northern end of Seven Mile Beach, whilst still being in a stone's throw of all the amenities of the Seven Mile Beach corridor and a short walk to The Kimpton SeaFire. This well-appointed three bedroom ground floor condo offers spectacular views of the beach, and the crystal blue water beyond, whilst having all the convenience of a walk out patio making it the ideal choice for all prospective owners and tenants regardless of age and mobility. Christopher Columbus on site facilities include the large ocean front salt water pool, zero entry child pool, gazebo for entertaining and sundowners, beach front cabanas, and two floodlit tennis courts. Incredibly popular with short terms vacation renters, the on-site management take all the stress for those owners looking for an income whilst they aren't enjoying the property.
