PROPERTY DESCRIPTION

Beautiful sunset views from this cozy 1 bed condo on quiet end of Seven Mile Beach. This unit underwent a full back-to-the-studs remodel just before COVID and has never really been used since. 788 sq. ft in a charming well cared for complex. Quaint surrounding and 175 running feet of fabulous sandy beach. Rare one bedroom very hard to find on such a terrific location. Well furnished and perfect for your island getaway or use for rental and hold for capital appreciation. These never come up for sale and when they do they go FAST. Only 16 units and the aforementioned running feet of beach make for a rare and special opportunity. White sand two steps out your back door. This is what Seven Mile Beach living is meant to be.
