PROPERTY DESCRIPTION

EXCEPTIONAL VIDA Ocean Eco Adventure Lodge returns you to a life well-lived, a life outdoors. We are passionate about sustainably sharing the secluded and idyllic environment that Barkers National Park has to offer. Find fulfillment from shared adventure and experience the transformational powers of nature when you immerse yourself in the realm of water sports and wellness activities that VIDA has to offer. VIDA has pledged to a sustainable and environmental focus, providing solar power throughout the resort and implementing alternatives to single-use plastics. We support and collaborate with local farmers, restaurants, and businesses who follow the same ecological principles. A unique collection of ocean view apartments, beautifully crafted and impeccably curated, the property comprises 18 individually designed apartments that combine sustainable architecture with elegant, contemporary design. This Studio apartment is being offered for sale to owners who wish to transform their investment into an income-producing asset. ROI figures available upon request. Join fellow adventurers, go kiting with one of our founders, instructor and pro kiter, Jhon Mora. Hydrofoil, paddleboard, scuba dive, ride horses along the beautiful coast of Barkers beach, and practice yoga on our purpose-made yoga deck as you watch the sunrise or set. VIDA is the perfect blend of adventure and luxury. Keep your fitness in tune while exploring the local area with organised jogging and cycling trips or workout in the gym. Kayak tours, bonefishing, shore fishing and authentic fishing trips with local fishermen and boats, provide the chance to catch your dinner in true Cayman style. Wind down from your action-packed day with a swinging siesta in a hammock, relax in the hot tub to soak tired muscles, or rejuvenate yourself in our massage room. Closeout the day, sharing stories around the fire pit and enjoying local bbq from our visiting chef of the week. VIDA is Life.
