PROPERTY DESCRIPTION

This elegant 3 bed, 2 bath home is designed to blend outdoor and indoor living. The open plan kitchen/dining seamlessly merges into the large living room and flows directly to the covered back porch. The bright and spacious kitchen features granite countertops, solid wood cabinets and Whirlpool stainless steel appliances. Buyers may upgrade with alternative granite, cabinetry, hardware, appliance options, tiling and crown moulding. The generously appointed master bedroom features a large walk in closet and 2 additional closets for maximum wardrobe space. Personal back entrance from master bedroom that leads you straight to your back garden oasis. The en suite master bathroom is elegantly designed with double vanities and a separate toilet stall. There are two additional bedrooms, both with built in wardrobes and one of which benefits from a semi-en suite. The Orchid is handsomely finished with porcelain tiling, door trims, baseboards and tons of storage. Equally as impressive is the exterior, boasting a generous driveway with covered car port, built in flower beds, decorative shutters, standing seam roof and Marmoran decorative finishes. Approximate completion month will be November 2022
