PROPERTY DESCRIPTION

This is a great opportunity to own a slice of paradise in the Cayman Islands. It is very rare that you can take full ownership of a condo at Morritt's Resort, and this particular unit is beautifully renovated and furnished - ready to move into and call home, or rent short term with a healthy return. Located in the peaceful district of East End, this beach resort has plenty of on-site amenities to enjoy, including three swimming pools, mini golf, tennis, bar, restaurant, spa and water sports. Other restaurants and shops are walking distance away. For those looking for an investment property, existing future bookings will pass on to the new owner and the current owner would be happy to provide the list of renters, many of whom are repeat customers, along with other valuable information and benefits of this investment property.
