PROPERTY DESCRIPTION

Mandalay, on Seven Mile Beach, is the most exclusive development with only six, luxury condos. This area of Seven Mile Beach offers a deep, pristine section of white sand and entry to the Caribbean Sea only steps from your door. The property has recently undergone a US\$1.2M renovation including exterior painting and railings, new screens on the patios, new Category 5 hurricane rated doors and windows, a complete overhaul of the gym using Technogym equipment, and new landscaping and exterior lighting. This four bedroom luxury condo, accessible by elevator or stairs, looks out over turquoise blue water and golden sunsets over the ocean. Each bedroom is en-suite with an additional powder bathroom off the main living. An open kitchen, dining and living space creates community and an area to enjoy those in your company. An outside pool can be shared instead of the ocean and the new gym has been completely redone and features top of the line Technogym equipment and machines. Underground parking allows three vehicle parking spaces for each unit and an AC cooled storage space the length of the parking spaces. Fully secured, the garage is accessed through the main door or coded elevators. With over 100 feet of white sand beach to share with only a few other people, Mandalay provides an exclusive and private oasis in Grand Cayman.
