PROPERTY DESCRIPTION

Introducing a wonderfully upgraded, 4 bed/ 4.5 bath Vela unit with a purposefully configured layout, showing careful forethought for a family's needs. This unit is furnished throughout with tasteful, imported pieces that complement the largest floor plan in the complex at 2780 square feet. High end window furnishings have been added throughout, not typical of these units and a great value add. The extensive kitchen boasts floor-to-ceiling cabinetry with a large kitchen island and frosted glass upgrades that provide additional storage and a great finishing touch to the most important space of a home. The kitchen leads out to a large rear patio overlooking the immaculate grounds and Olympic-sized swimming pool. Heading upstairs, we find 4 light and bright bedrooms, all with upgraded en-suite bathrooms, offering sanctuary to every member of your family. Open air terraces are abundant through the home (5 throughout). A cup of coffee in the morning or a glass of wine in the evening on one of the terraces whilst overlooking the magnificent grounds and views of the Sound is just one of the ways the home design lends itself to taking in the beautiful surrounds. Vela, as a gated community, is wonderfully pet and family friendly. Within the complex can be found two tennis courts, two gyms, a yoga studio, three Olympic-sized swimming pools and a clubhouse. The strata is well managed by BCQS and access to town, restaurants and supermarkets at Grand Harbour, the squash, tennis and rugby club make the location superb. For neighbourly, friendly community living, it would be hard to find a property that ticks so many boxes!
