PROPERTY DESCRIPTION

Beautiful 3 bedroom, 2 bath Caymanian Cottage in North Side. Sits on 0.71 acre of ocean view land with a fantastic garden. The gazebo sits 20 ft. above sea level offering great ocean views. The cottage is in good shape with the roof and flooring like new and Pestkil attended for 10 years running. The property is across the road from the bay and just 1,500 yards from the boat ramp. This would be a great VRBO property, a great getaway for GT residents or an opportunity for an inexpensive second home in the Cayman Islands. Hurricane shutters all around, serviced by city water, a well and a cistern. Insulation paint on the roof.
