PROPERTY DESCRIPTION

The perfect family home. Three bedrooms, three bathrooms, a den and a large fenced-in yard located in a quiet Savannah family neighbourhood. Enter into the heart of the home. A spacious open floor plan, complete with 12-foot ceilings and custom built-ins. The home features an upgraded kitchen with a gas stove. The adjacent dining room and bonus room lead out to the screened-in patio overlooking the expansive yard. The primary bedroom has an ensuite bathroom with a soaking tub and customized built-in closets. The guest rooms and den are also complete with custom closets providing ample storage and a jack-and-jill bathroom. A family home is not complete without a full laundry room with extra storage and a second refrigerator. This fantastic utility space leads to the two-car garage, which, to no surprise, has also been outfitted with extra storage. Sitting at 14-foot elevation on over half an acre of land, the home is built strong and high to keep you dry. It has hurricane-grade windows and solid concrete throughout. Living on Astral Way you find yourself close to the amenities of Countryside yet close enough to sea to hear the waves from your garden of mature fruit trees. The ideal family home in every way.
