Perched on the ninth floor of The Seafire Resort & Spa, you'll find these exceptional 5 Star Residences that redefines and reimagines the typical design found in Seven Mile Beach condos in The Cayman Islands. Departing from the ordinary white walls and natural accents, this magnificent property boasts five bedrooms and immerses itself in vibrant colors, intricate patterns, and lavish textures. It embodies a dynamic and dramatic style by incorporating luxurious materials and designer furnishings. Even the kitchen has undergone a transformation with a custom-designed curved banquette seat and circular table have been installed, harmonizing with a gold-plated faucet in both form and color. Each of the five bedrooms has been meticulously designed, offering captivating water views of either Seven Mile Beach or The North Sound.
