PROPERTY DESCRIPTION

Ocean Pointe Villas enjoy a prime waterfront location, situated at the quieter, north end of Seven Mile Beach, yet just a 15-minute drive from all the amenities of Seven Mile Beach. It offers the perfect escape from the traffic and busyness of George Town yet has easy access to stores and restaurants. First-class snorkeling is right on your doorstep and the extra-large pool, with gazebo and attractive barbecue/entertainment area, is just steps from the front patio. Enjoy beautiful sunsets as you sip a cool drink on your patio or take in the uninhibited sea views with your morning coffee. With stunning water views, this condo allows for true oceanfront living, in a tranquil environment. Being on the second floor allows for easy access; once inside, viewers will appreciate the spaciousness - almost 1400 square feet - of this two-bed, two-bath apartment, with masses of closet space; there is nothing cramped about this property. The principal bedroom, conveniently located just off the living area, enjoys an ensuite bathroom and walk-in closet. There is a second large bedroom and bathroom for guests or family members. The spacious kitchen includes a large breakfast bar, giving options for casual dining. Tiled floors throughout make for easy maintenance; sandy feet are no issue here. The property offers ample, comfortable accommodation for families, and pets (with restrictions) are welcome too. This condo is just waiting for your personal stamp. The air-conditioning was recently replaced. The new standing seam roof also offers essential hurricane protection and peace of mind.
