The interiors are crafted for both style and function, with chef-inspired kitchens featuring customizable natural quartz countertops and stainless steel professional series appliances. Oversized master bedrooms include double closets, while master ensembles offer double sinks and walk-in showers, with villas featuring three full ensuite bathrooms. Designed for seamless indoor-outdoor living, townhomes feature 8ft sliding glass doors opening to a covered patio, while villas offer two sets of sliding doors leading to a private pool and fenced yard. A Romeo and Juliet balcony with sleek glass railings enhances each townhome. Residents enjoy resort-style amenities, including a large communal pool, a bright and spacious children's splash park, a dog park, and a beautifully designed grilling area for entertaining. Walking paths and green spaces create a serene atmosphere, while private carports or garages, designated parking, and electric car charging station readiness add convenience.
