To upgrade and covert the top floor terrace into a second master suite or den starts in cost from CI$35,000. See below floor plans or contact us at Milestone for further details, and availability. All residents will benefit from the heavenly resort style comforts of 2 fully equipped gyms with a Club House, 3 spectacular Olympic length swimming pools, 2 lit tennis courts, boat trailer parking, storage lockers, Concierge and onsite property management services. Inspired by the Catboats of Cayman's seafaring past, and a constellation of the Southern Sky, VELA (meaning Sail) is dynamic and modern in its styling. Like a sail, these contemporary villas are designed to catch the cooling sea breeze, and characteristic of all Davenports developments there will be a strong emphasis on the outdoor environment with immense roof terraces and private patios over looking the luscious landscaping. Also true to form will be the structurally solid and energy efficient ICF building technology used in all Davenport Developments.
